

Part 13

# wise life in Korea

new type of voice phishing cases

“Is this voice phishing!?”

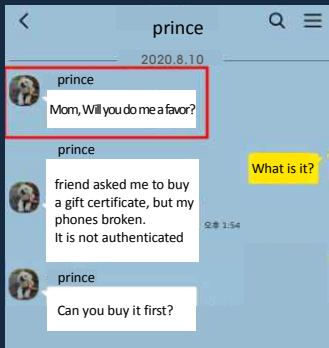

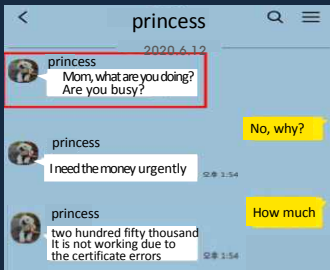

You may suffer voice phishing  
if you don't know about it

Damage example and coping method

# # Type of messenger phishing

Scamming that **asks for money** through messenger and even change the same profile picture to look **like a family or a friend**

They avoid receiving phone calls  
under the pretext of a broken  
cell phone so please make sure  
you call to verify  
other person's identity

## # Type of organization impersonation

[report of inconvenience in daily life]

Your complaint has been received and we are notifying you (phone) 02-123-1234

[web sending]

Emergency living expenses support projects have been received please check it again <http://cubbc123>

The person who impersonated the national police agency, the public prosecutors' office, request to **account transfer** or **leave the cash** to him due to personal information leakage so **deposit protection** is required

(a bogus counselor)

“It looks like your personal information was leaked I’ll call the police”

(a bogus police officer)

“We need to transfer the account because personal information leakage can cause damage”

**In any case, the government agency does not ask for credit information or account balances**

**100%voice phishing**

## # type of impersonation payment

 [Web sending]  
product name: Dyson vacuum  
cleaner. 784,000 won  
payment approval  
07/05 follow-up call  
[8356] inquiry :  
02-6316-1234

 [Web sending] (00pay)  
2,350,000 won payment  
approval. confirmation  
number [1234567]  
If it's not you, report it  
immediately  
(customer inquiry)  
02-123-1234

After sending a fake payment text message and then **the victim calls to confirm**, they let the victim install specific applications and **transfer accounts** since personal information has been stolen

**Telephone-inducing  
voice phishing**

**Ignore the text message you received  
that you haven't approved payment,  
never call again or make  
an account transfer**

## # Type of loan fraud

### [Web sending]

(advertisement) H capital,  
a chance to change from  
high to low interest!  
individual business with  
difficult loans and  
foreigner can borrow  
money regardless of your  
credit rating  
02-123-1234

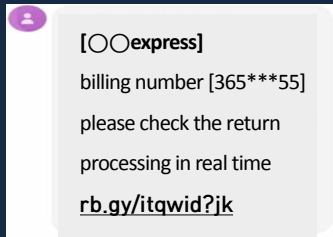

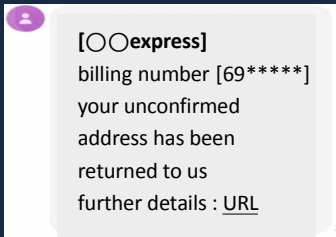

Targeting those who are **in need of a bank loan**, they induce remittance to other accounts in the name of providing **low-interest loans** by texting message or telephone

In case of inducing a transfer  
to an account by ignoring  
the loan recommendation  
text message or phone call,  
definitely **100% voice phishing**

## # Type of App ( malignant code ) installation inducement

A scamm of stealing financial information or withdrawing money through a public certificate when you **click on the App (malignant code) URL** in the text message<sup>32</sup>

**You should not download and install apps that you don't know where they come from, just by accessing the URL, IP address, you can get infected with malicious code so be careful about that**

# **Phishing scams damage!**

# **prevention is the best way**

suspension of payment,  
damage report  
(the national police agency)

**112**

site report  
(Korea Internet & security Agency)

**118**

damage consultation,  
refund  
(the financial supervisory service)

**1332**

# Just in case, you are a criminal, too?

I was wondering if you had take orders or request from someone else and you are doing the following like that?

To withdraw cash using another person' s credit card, account or to make a deposit without a bankbook, definitely it can be a voice phishing crime.

**Voice phishing can be punished prison sentence just for simple involvement.**

# QUIZ

★ EVENT

Q What is not a matter of caution to prevent voice phishing?
